The Garden City Park Civic Association was formed in 1965, with the purpose of promoting civic pride and protecting the interests of property owners in the community. Garden City Park has changed since then, and so has the Garden City Park Civic Association.

Our mission is still to promote civic pride and to protect the interest of property owners, but it is much more than that. Quality of life, safety and a voice for our community in local government are some of the issues the "new" Garden City Park Civic Association will be addressing. We plan on working with local government, law enforcement and local businesses to make Garden City Park an even better place to live.

A civic association is only as strong as its membership.... and that is why it is so important for you to join. Your community needs **your support** and **your voice**.

Recently, members of the Association met to coordinate a membership drive and to identify some issues affecting our community. Our plan is to hold meetings on the **2nd Wednesday of every month**. By joining the Garden City Park Civic Association, you are showing that you support your community and you want to make a difference. Please invest in your community now by completing the membership application below. You can mail the completed application to the address provided below or bring the completed application to the monthly meeting at:
